Cardiff-Leuven Calcium Signalling Workshop:

Ca²⁺ signalling and dysfunction in disease: from macro to nano

Cardiff University, 14th/15th September, 2015

Venue: Physiology 'A' Lecture Theatre (C/0.07), The Sir Martin Evans Building,
Museum Avenue, Cardiff. CF10 3AX

Introductions

Nora de Leeuw (Cardiff University) and **Tony Lai** (Cardiff University)

Integrating Ca²⁺ signalling in systems

Alexei Verkhratsky (University of Manchester) (Keynote Lecture); **Daniela Riccardi** (Cardiff University); **Chris George** (Cardiff University); **Llewelyn Roderick** (KU Leuven); **Adam Errington** (Cardiff University);
Ole Petersen (Cardiff University) (Chair)

Ca²⁺ signalling in Cells

Karl Swann (Cardiff University); **Julia Gerasimenko** (Cardiff University); **Maurice Hallett** (Cardiff University); **Tony Campbell** (Cardiff University) (Chair)

Subcellular Domain Ca²⁺ Signalling

Demetrio Santiago (KU Leuven); **Spyros Zissimopoulos** (Cardiff University);
Geert Bultynck (KU Leuven); **Oleg Gerasimenko** (Cardiff University) (Chair)

Ca²⁺ Signalling at Molecular Level

Emyr Lloyd-Evans (Cardiff University); **Jan Parys** (KU Leuven); **Lowri Thomas** (Cardiff University); **Michail Nomikos** (Cardiff University); **Oliver Castell** (Cardiff University); **Alan Williams** (Cardiff University) (Chair)

Registration (no cost) at: <http://www.eventbrite.com/e/cardiff-leuven-calcium-signalling-workshop-ca2-signalling-and-dysfunction-in-disease-from-macro-to-tickets-18114863043>
